

Sunovisio Corporation

Review Reminder Documentation

This documentation will explain you how to configure Review Reminder Extension.

Version 1.0.0
9/20/2012

Introduction

Sunovisio Review Reminder Extension allows you to know immediately when an user write a review on one of your product to get better reactivity. No need to spend time everyday to go in your Magento Administration to see if someone posted a review.

Configuration

This first tab gives you all information necessary about Sunovisio and the support we provide you.
